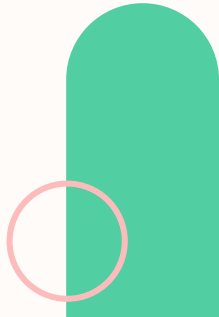
Find Design References

You can look for design references from Figma, Awwwards or other sources, for example :

- https://www.figma.com/community/file/1185112138001406562/blogging-website-ui-community
- https://www.figma.com/community/file/895225371918055740/minimal-blog
- https://www.figma.com/community/file/1173995545365768302/traveling-blog-website
- Etc ...

Exercise

- Create homepage
- Create article list
- Get data from headless cms



Thank you
